Location

Description

It is an exclusive project of only 8 Luxury Villas in the center of the fashionable town on the island of Ibiza, Santa Eulària des Riu. It is located a few meters from the town hall square and 5 minutes walk from the beach and the marina.

Our project is designed following the Ibizan aesthetic, making use of noble materials such as local stone, oak wood and white lime mortar. It is, at the same time, a modern project with large windows, to capture all the light of this wonderful island. Private pool, chill-out area and native garden.

Location

This new complex is located in Santa Eulalia del Río, one of the most exclusive and best quality living areas of Ibiza.

With excellent communications with the rest of the island and surrounded by beaches with turquoise waters and white sand, the town offers an excellent quality of life both in summer and in winter. Santa Eulalia is open and totally devoted to the sea, with a promenade of more than a kilometer in length, a marina and the best urban beach on the island.

A sustainable project committed to the Ibizan aesthetic

The project joins the dream of high-end ibiza style living, the advantages of urban centric location with excellent design flair and unsurpassed finish level.

Very close to the beach and unmatched views of the Mediterranean azure blue waters, the residences offers you top quality finishes, a luxury and quiet residential area complete with all the benefits that come from being just steps from the town centre, its charming restaurants and aesthetic retail stores.

The Developer

An award-winning residential developer expert with over 10 years' experience.

Specialized in the design and construction of bespoke luxury properties and the provision of high quality services in Spain's most exclusive and prestigious locations: Ibiza, Marbella and Costa Blanca. The pursuit of excellence is one of the key values, with over 200 luxury properties built over the years; driven by a desire for excellence and an ongoing commitment to innovate and create. With the aim to consistently deliver to the highest possible standard. From systems to details and finishes, a multi-disciplinary team has extensive experience and is dedicated to the success of every project.
